

AUTOMATED MANUFACTURING SYSTEMS

***“Your Single Source for Engineering,  
Process, Machine & Controls”***

## ***ARC-05HG Bore Cladding System***

- Standard ARC 5 PLC control unit with touchscreen operator interface, weld schedule storage, and process monitoring through Lincoln Electric's Power Wave Manager Software.
- Self-contained, skid mounted unit with up to 450 amp welding power supply, and water cooled GMAW torch.
- Horizontal overlay process allows high deposition rates.
- Heavy duty slides with up to 50” horizontal travel and 24” vertical travel.
- Excellent system for cladding for corrosion or wear resistance. System performs well with inconel, Stellite and carbide covered wires.
